Brandniti - A Regenti Corp venture

Who We Are?

We're a full service design and communication agency !

We have modeled our growth on this ephemeral philosophy of constantly evolving. We focus on evolving Realty brands and transform them with our innovative hi-tech solutions in with exciting **Designs, Branding, Advertising, Digital Marketing, Animation and Rich Media Applications.**

We **help our Brand Partners to engage and communicate with their Customers,** grow their Businesses and develop persistent and exciting Brands that delivers results.

We enjoy working with Real Estate fraternity, all of whom benefit from our real estate **exposure, clear thinking, strong ideas, innovative solutions and creative execution.**

We choose the right tool for the job. In fact, we offer a transparent approach that underpins everything we do from strategy to design and technology implementation.

What this means for our customers: We not only streamline and optimize our processes but also offer clients timely and quality deliveries at the best price.

We offer an end-to-end suite of services, ranging from strategic planning and experience design at one end, to media deployment and campaign analytics at the other.

We provide functional communication solutions with fresh and innovative ideas that work.

Our strategic and creative approach is to help brands build and uphold relationships with the target audience. We not only explore the full spectrum of communication opportunities, but also experiment with evolving technology.

Few of our esteemed Clients

Morphosis Realtors India Pvt. Ltd.

What We Believe In?

Our mission is to empower growing Brands to strengthen relationships with stakeholders through the strategic design development and implementation approach of effective communications tools using advance technology, creative outputs and lateral thinking to achieve measurable results.

Integrity:

Our strong moral and ethical convictions, only allows us to meet highest level of deliverable by ensuring best pricing to our esteem Clients.

Timely Deliverables:

We have always understood the need of meeting steep deadlines on short notice, and we also deliver successful results by allocating adequate time for planning, thinking and executing.

Innovation & Creativity:

This is a key differentiator for us in the industry. Our thrust has been on technology driven innovative solutions and creating exuberant branding for our Clients to keep them always ahead of their competition.

Quality:

Adherence to quality of our work and services is of foremost importance to us and is imbibed in our robust processes.

About Regenti Corp

At Regenti Corp, we have a 3 pronged approach to the Marketing Consultancy.

Research and Analysis:

Focused towards situational analysis that deals with a study on external and internal influences in the business landscape.

Generate Plan and Design Intervention:

Based on the observations in phase I, this phase essentially generates the methodology, devises the marketing strategy, and allocates resources & budgets for the suggested solution.

Timely implementation and Measurement:

This phase is an outcome of the planning phase. A strong execution capability at our organization is largely driven by our robust process and adherence to service quality at all phases. Measurability of the solution is prime in various sub phases of the execution.
